

An MICDian is a GOOD Dentist,
Becoming GOOD is a Continuous Process

EDITORIAL

Namaste and Happy Vijaya Dashami 2018 to you all !

MiCD Global Academy is pleased to bring its first issue of MiCD newsletter for you. The newsletter specially focuses on various professional and social activities of our MICDians (MiCD Global Academy members) and different clinical tips and tricks about MiCD from the experts. In this issue our MICDian Dr. Leeza Shrestha from Nepal is sharing her clinical case report on class IV restorations with direct composite Resin.

We would like to request all our MICDians and other colleagues to support our editorial team by sending their clinical cases, experiences and social activities report.

We will be happy to receive your suggestions and feedback @ micdnewsletter@gmail.com to make the reading more interesting and useful.

Enjoy Reading!!
